FRIDAY CAMPBELL SHOPPING NIGHT PROPOSED

Grange Takes Over Tree Planting As Service Project To Replace Those Damaged Or Destroyed On Winchester

County Road Commissioner Robert Chandler has been appointed to care for neglected camphor trees on Winchester Road as a result of action by the Campbell Orchard City Grange.

Secretary Herbert M. Shadle of the Grange said that the group's request to Fifth District Supervisor Earl Campbell that trees which have been killed or damaged, be replaced, was turned over to the general supervisors' meeting this week. The camphor trees had been burned during weed burning operations this spring. and some had been broken by motorists. Orchard City Grange asked that the remaining trees be cared for, watered and protected.

Chandler reported that the county nursery has no more camphor trees to replace those which have been lost.

In view of this, the local Grange has voted to replace these trees over a period of years. Each year, a number will be planted in memory of grangers who have died. This will be a community service project, and the organization will conduct ceremonies at each planting.

In addition, Shadle said the Grange will endeavor to keep regular check on the health of the trees to be sure that they receive adequate care. Trees will be purchased with funds from the Grange treasury

County Firemen Quarterly Meet Here Tonight

Campbell Volunteer Fire Department will be host to the quarterly meeting of the Santa Clara County Firemen's Association tonight at 8 o'clock in the kindergarten room of Campbell Elementary School. The association includes members of all fire departments in the county.

Chief De Rose of the Morgan Hill Fire Department will preside at the session.

Scholarship List

Scholarships and 37 awards and prizes at Stanford University were announced yesterday by Dr. Wallace Sterling, university president.

Dudley Robert Herschbach, a Campbell Union high school graduate, is the recipient of a university honor scholarship. These scholarships were established by the Board of Trustees of the university.

Rotary Official Outlines Club Peace Role

"Rotary's Future" was the subject of District Governor W. E. Williams' talk before the Campbell Rotary Club at its assembly session Monday. Williams, who heads the 155th Rotary district, with local president William Maderis and secretary Forrest A. Reese.

In his address, the district manager of the Pacific Telephone and Telegraph company, placed special emphasis on the influence of Rotary on world affairs, pointing out that through establishment of more clubs of Rotary international, better understanding through club friendships can be achieved.

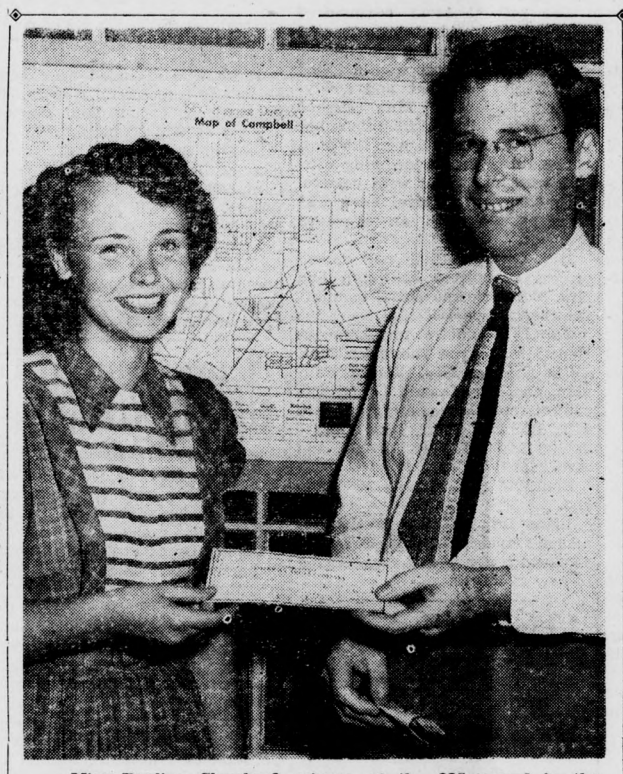

Club service is an important factor in the future of Rotary, he continued, and community service, doing something for others, helps to build recognition for Rotary,

Friendship between competitive businesmen fosters better, more mature relationships, he stated, while employer-employe understanding can be developed through vocational service work of the clubs.

Service again, this on the international level, was stressed by the district governor, who called this a positive approach to the improvement of world relationships. In order to promote international understanding, Rotary clubs were urged to do their part in making the aims of the United Nations organization known to all citizens. Ideals must be united with action to obtain the ultimate goal.

In referring to growth of the international organization, Williams told members that Rotary plans to organize 365 new clubs during the 1950-51 year.

Mr. and Mrs. Eugene W. Barnes, have taken off in the general direction of Montana, where they will visit Mrs Barnes' father in Great Falls.

Miss Pauline Cleveland, winner of the $25 award in the winner of the $25 award in the Campbell Junior Chamber of Commerce slogan contest, receives her check from Bill Halls of the Jaycees. Contest was to complete a sentence on why shopping in Campbell is best. Photo by The Photocenter.

Kiwanis See Color Slides Of West

The Rev. Father Ehrmann of San Jose will be next week's guest speaker at the meeting of the Kiwanis Club it was announced at Tuesday's weekly session.

Highlight of the gathering was the showing of colored slides by Mr. and Mrs. Ralph Hyde of their trip through Oregon and surrounding countryside. Mr. Hyde showed scenes of Shasta and Boulder Dams plus many pictures of the Bakersfield territory during the wild flower season

The scenic splendor along the Carmel-San Simeon highway was also presented on slides.

President William Henley presided over festivities.

The announcement of a barbecue to be held August 8 at Mr. and Mrs. Henry Jewell's home was made Members are urged to purchase their tickets no later than August 1.

Mr. Ralph Trowbridge was honored for four years of perfect attendance.

Peerless Applies For Loading Zones On Campbell Ave.

Verbal application for establishment of bus loading zones on either side of Campbell Avenue was made Monday to the County Board of Supervisors, Peerless Stages district agent Robert Bartholdi stated today.

TWO ZONES

Bartholdi said he requested zones on Campbell Avenue in front of the Blue Bell cafe and across the street in front of the Friendly Shopping Center. He said his application was referred to County Road Commissioner Robert Chandler for recommendation.

Bartholdi added that he has already received a letter from Friendly Shopping Center owner Frank Martorano supporting the application. Mrs. Azalea Shaw, partner in the Blue Bell Cafe which serves as the Campbell Peerless depot, will obtain similar letters from merchants on the south side of Campbell whose stores front on the proposed bus loading zone, the agent reported.

When these letters have been presented to the Supervisors, then the board will be in a position to act on Chandler's recommendation which is expected to favor establishment of the zones.

TAG WARNING

Bartholdi was notified by Legion Patrol Captain Jack Chappell last week that patrol members would tag busses for illegal double parking unless the bus company took steps to obtain suitable loading zones here. Busses have been double parking on the main street while loading passengers here, and this practice has resulted in periodic heavy traffic congestion as well as irritating the motorists.

Blood Bank Visit Set For Campbell In Late August

Next visit of the mobile unit of the regional blood bank will be paid to Campbell in late August, J. F. Levenberg, Campbell Red Cross branch blood procurement chairman ,announced this week.

At a meeting of local Red Cross officers, Alistair Anderson, head of the San Jose Red Cross blood bank, commended workers for this successful efforts in the June blood bank collection here.

Anderson said much more blood is needed and will be needed, due to the current war situation, and urged workers to increase their efforts to bring the Campbell blood bank credit up to a safe amount.

Forrest Reese Secretary Manager Named by Chamber of Commerce

Forrest A. Reese, incumbent secretary of the Campbell Chamber of Commerce for the past four years, was named first secretary-manager of the Campbell Chamber of Commerce Monday night at the meetin gof the chamber directors. The appointment was effective Monday, July 25.

Reese, who has been a leader in Campbell civic affairs since moving here from Toledo, Ohio, five years ago, will conduct his job here on a part time basis, to coordinate chamber activities, promote smooth functioning of chamber committees' work and put the organization's membership on a basis which will bring prestige to the community.

FORMER DETECTIVE

The new secretary- manager is a retired city detective for Toledo, Ohio, where he served for 16 years in various departments, including nine years as sergeant of auto theft detail, seven years in charge of special investigaion covering subversive activities and labor relations.

He is past master of the Toledo Masonic Lodge, in which he still maintains membership; past commander of the American Legion post of Toledo; past chief de gare of Santa Clara County Voiture 365, 40 et 8; past deputy state president for the Fraternal Order of Police of the State of Ohio, and past department music chairman for the American Legion, State of Ohio.

Since coming to Campbell, he has operated the Reese Capon Ranch at 155 White Oaks Road. He has been secretary of the Chamber of Commerce for four years. Reese is past president of the Campbell Rotary Club as well as being its first and present secretary. He served as chairman of the annual Old Setlers Day celebration for 1948.

Forrest A. Reese

CAMPAIGN CHAIRMAN

His field of activity extended into political campaigning here when he served as chairman of the Campbell campaign committee for the Dewey-Warren ticket. He has been chairman of the Campbell area committee for Congressman Jack Z. Anderson for the past three terms.

Reese expressed confidence that the chamber membership can be raised from its present 115 to 200 during balance of the year through development of an active program. As far as the membership potential goes, some have said 400, but Reese said he believed that the chamber could, in a few years' time, build up to a unified force of 1000 business, professional and industrial members.

NOMINEE BALLOT

As Reese began his work of building up the chamber program, ballots are being prepared to name a new slate of officers to succeed the retiring slate headed by J. M. Dahl, president.

Included on the mail ballot being prepared by nominating committee chairman Laurance J. Hill and fellow committee members are Eugene W. Barnes for president; L. E. "Bill" Means for vice-president; Arthur Mayo, for treasurer and two slates of nominees for the board of directors.

No increase in dues is contemplated, Dahl stated, to provide for the salary of the new secretary-manager.

Merchants' Committee Outlines For Year 'Round Local Promotion

Outline of proposals for six business promotion projects was presented to Campbell merchants Wednesday night when they met in the High School little theater under auspices of the Chamber of Commerce. President J. M. Dahl of the chamber presided. Final action on the proposals will be taken at another merchants' meeting called for next Wednesday at 8 p.m. in the little theater.

Merchants committee members who prepared the project's outline were L. E. "Bill" Means, chairman, Mrs. Tom Burnett, Helen De Rose and Leonard A. Estenson.

Opening project suggested by the committee was promotion of a Campbell shopping night, probably Friday, since it is cannery payday and other nearby communities have selected earlier days in the week. If approved next Wednesday, it may go into effect next Friday.

In connection with the Friday night shopping, the merchants would give away prizes to a Friday night shopper who would be selected through a drawing. Stores would be open from 6 to 9 p.m. each Friday.

After a report from Frank Accardi on actions taken by the chamber's directors, the merchant session was turned over to Eugene W. Barnes, as temporary chairman of the merchants committee.

For the benefit of those who were not present at the previous merchant meeting, preliminary actions were outlined. Means gave the report of the sales promotion program for the entire year as outlined below.

MERCHANT REPORT

1. The committee was of the opinion that a full year's program be prepared.

2. That each event be conducted by a separate committee to be appointed.

3. That it be put into operation as soon as possible; that appropriate records be kept in order that committees for the following year may have adequate records to guide them.

4. That all events be paid for by the participating merchants and that all merchants in Campbell be eligible to participate and that all be asked each time a new event is scheduled.

EVENT NO. 1—

Promote a Campbell Shopping Night.

It was felt that perhaps Friday night would be the logical one:

Reasons—It is cannery payday in this town. It is more logical to shop Friday night, if time permits, than Saturday.

That the event be promoted by giving 25 or 50 dollars away each Friday night to customers who purchase in Campbell between 6 and 9 o'clock each Friday night. Tickets to be given with each purchase during those hours. A drawing to be held at 9:15 p.m. each Friday.

It would be financed by $5 for each participating merchant to begin with, and the money to be used as advertising.

Other details to be worked out by the committee.

This event to start as soon as possible, within two weeks and continue through August, September and October for the extent of the cannery season.

It was the consensus of the committee that the Friday night opening be continued the year 'round.

EVENT NO. 2—Dollar Day

To be given promotion similar to those dollar days in Mountain View and Sunnyvale.

EVENT NO. 3 — November and December.

A giveaway deal run exactly like that of last year's car giveaway, with the exception that it be a less expensive proposition. Giveaway prizes would be a television set, refrigerator and other gifts. If possible, the same committee which worked on last year's campaign would be appointed for this year.

EVENT NO. 4—March Dollar Day Bargain Event Similar to that for October.

EVENT NO. 5—Spring Shopping Days—Thursday, Friday, Saturday event.

Spring parade, Fashion Show, Pet Parade and giveaway deal in conjunction with merchants shopping specials.

EVENT NO. 6 — Night openings, giveaway events again.

While the proposals were not

(Continued on page 4)

Grange Activities Include Trees And Fair Projects

Charter draping ceremonies were conducted at the Orchard City Grange meeting Tuesday night for Mrs. Daisy Keesling who died recently. Ninety-three members and guests were in attendance.

Among the 35 guests present were the following dignitaries who were honored: Frank Currier, master of Sunnyvale Grange; Dwight Sheffer, Master of Cupertino Grange and Mrs. Sheffer; Mr. Davis, Master of Roach Grange, Santa Cruz County, and Mrs. Polack, chairman of the Home Economics Club of Santa Cruz County Pomona Grange.

The Grange county fair committee will meet tonight at the home of Mrs. Anne Gardner, 393 Hamilton Avenue. A 'sitting' committee has been assigned to take turns managing the Orchard City Grange booth.

Supervisor Earl C. Campbell has turned over the work of preserving the 114 trees on Winchester Road to County Surveyor and Road Commissioner Robert Chandler. Because there are no more young camphor trees available in the county nursery, and no more county funds available for replacing the burned and broken trees, the Grange has taken over the replacement job as a community service project.

A resolution was passed at the meeting to plant a tree in honor of each member of Orchard City Grange who has died since the first of the year, and to do this for each following year, until all the trees have been replaced.

Word has been received from the State Highway Department stating that funds will be available next year for installation of a signal system at the intersection of Hamilton Avenue and San Jose-Los Gatos Road.

Grangers also passed a resolution calling for establishment of a cross walk on Campbell Avenue in front of the Blue Bell Cafe, the present bus depot, for convenience of bus pasengers.

Pomona Grange will be held at Mount Pleasant Schol August 5, at which time the water shortage problem is to be discussed. A pie super will be held at Morgan Hill Grange on Friday, July 28.

A note of thanks was received from Mrs. Ruth Livingston in acknowledgement of the plant which the Grange sent her while she was in the hospital.

Mrs. Mae Walsh, Home Economics Club chairman, announced that $14.96 was collected as a result of the waist measuring project at the previous meeting. The project was continued at Tuesday's meeting.

Mrs. Angelica Brandt had charge of the floral decorations. She made artistic use of a summer flower, "Snow of the Mountains."

In the banquet hall, Mr. and Mrs. Malcolm Blue, Mrs. Clarabelle Vining and George Shattuck were the refreshment committee. Of particular interest was the prune cake made by Mrs. Walsh. Recipes for the cake were distributed.

A plant sale was conducted during the auction. Proceeds will go to the Home Economics Club. During balance of the evening members and guests danced to the recorded music of Mervyn Keesling.

New Pension Plan

A new McLain pension plan will be explained in full by a speaker from the California Institue of Social Welfare at a meeting to be held Wednesday, August 9 at 1 p.m. in the IOOF Hall.

According to George McLain, chairman of the statewide California institute, the state legislative counsel's office is preparing the new pension measure which, after being titled by the Attorney General's office, will be printed.

Canning Season Causes Spurt In Parking Violations

Campbell Legion Patrol members began distributing parking tickets in larger numbers this week with the opening of the canning season here.

As was expected when local merchants sought and obtained the recently enacted county parking ordinance for unincorporated areas, the canning season has brought the heaviest number of parking violations. Generally, during canning time, employes of the local cannery have been in the habit of parking their cars on the main street, or nearby, and leaving them all day while they are at work.

This sleeper parking interfered with the normal comings and goings of patrons of the local business district, and relief for the situation was sought in the parking ordinance.

Six parking violation tags were issued on opening cannery day Tuesday, and two more were handed out Thursday by patrol members. One parker was tagged twice. Two violators parked too close to fire hydrants.

Recipients of the tickets must appear before Justice of the Peace John D. Blaine within five days or the patrol will take other action against the violators.

Patrol Captain Jack Chappell has urged cooperation of all cannery employes, who are asked to park the cars off the main street on side streets not covered by the parking ordinance. Parking limits on streets covered by the ordinance will be enforced.

Legion Names Its Delegates For State Conclave

Five delegates from Campbell Legion Post 596 were named to represent the post at the state Legion convention August 13 to 16 at Sacramento. These will be Edwin C. Lee, Rex H. Kaber, Guy W. Smith, Z. D. Tennison and James Hendricks.

Alternates are Frank N. Johnson, John Burda, Maurice L. Burke, Thomas E. Boyle and F. Wilbur Mitchell

Post members have been attending installations of new officers for various district posts, including those for Santa Clara, Memory Post, San Jose, Los Altos and Santa Cruz legion groups. Tonight they will witness installation of Los Gatos post officers.

On the post agenda for Sunday is the district convention at Los Altos.

L. J. 'Bud' Levenberg, Campbell Red Cross blood procurement chairman, will meet with executive committee members August 22 to help outline a blood bank program for the legion Purpose would be to provide sufficient blood bank credit to meet emergency needs of post members.

Levenberg has expressed enthusiasm over the post's proposals and commented that he would like to see every organization in Campbell develop similar programs.

Next meeting of the post will be August 23. The August 9 meeting was cancelled due to the state convention.

Nance E. Sutcliffe Services Held

Funeral services were held in the Los Gatos Melvin funeral chapel Tuesday afternoon for Mrs. Nance E. Sutcliffe, 86 years, formerly a resident of the Alpha Apartments.

Mrs. Clarence E. Goodridge Grows Prize Dahlias In Friendship Garden

A few dahlia bulbs contributed by friends for a friendship garden have developed into a rewarding hobby for Mrs. Clarence E. Goodridge of 261 Esther Avenue, whose dahlia garden has become the pride of her neighbors.

Mrs. Goodridge, who has been raising dahlias for only four years, has produced some of the largest dahlias in this area. Although her friends have urged her to enter her prize blooms in the County Fair exhibits, she and her husband are usually off on their favorite hobby, deer hunting. Last year her friends were heartsick, because her dahlias were larger than those shown at the fair, but Mrs. Goodridge said she'd go deer hunting, even if she had a 10-legged cat for a prize-winning exhibit.

Each of those dahlia bulbs came as a gift from a friend, some from Santa Barbara, others from Sacramento, Red Bluff and Palo Alto. The variety includes dwarf types, cactus dahlias, tropical dahlias, pompoms and the huge flowers shown in the picture.

Mrs. Goodridge probably would rate as a top green thumber in floricultural circles, for her plants produce exquisite blooms without excessive pampering. They require little effort, she explains. I don't fertilize them, just give them plenty of water to keep them wet."

Asked for names of the various types of dahlias, she explained that she has never studied them seriously, and is not fully conversant with their botanical names. Some day she hopes to have a floriculturist name them for her.

The blooms range in color from a startling white, to pale pink, orange red, dark red, yellow and the deep, deep red which she said is called the black dahlia.

ARRANGEMENT

Mrs. Goodridge's green thumb even carries into flower arrangement. Many dahlia growers have difficulty keeping their blooms alive after they are cut for flower arrangements, but hers last a good length of time in the house. She cuts them, burns the stem tip, then plunges the flower up to its neck in cold water, letting them stay anywhere from four to eight hours. By that time, the water has mounted far up the stem and the flowers will retain their life and beauty for days.

Mrs. Clarence E. Goodridge, 261 Esther Avenue, exhibits one of the huge dahlias which she grows as a hobby. Average dahlia in her garden measures 9½ to 10 inches in diameter. This one was 12 inches across.

BPW MEMBERS HEAR PLANS OF COMING WEEKS

Plans for the Asilomar conference in September were discussed at the Campbell Business and Professional Women's barbecue gathering Wednesday night at the New Jersey Avenue home of Mrs. Mary Scorsur. The conclave is slated for September 23 and 24.

BPW clubs in this area will gather for a joint session Tuesday, August 22, at the Little Village Inn, Los Gatos.

During the annual National Business Women's week in October, the Campbell club will sponsor a meeting on safety. This will be conducted October 11 in the little theater at Campbell High School. Other organizations in the community will be invited to attend.

The BPW's will have their rummage sale Friday and Saturday, August 25 and 26. Location and other details will be announced later.

OES Star Points To Serve Special Turkey Dinner

Turkey dinner with all the trimmings will be served by the Star Points of Campbell Chapter 553, Order of the Eastern Star, at 6:30 pm., Friday, August 18, in the IOOF Hall, Campbell. Proceeds of the dinner will go to the Grand Matron's project of the year.

After dinner, folk dancing and cards will be offered for entertainment of the adults. There will be movies for the children. An instructor in folk dancing will be present, so beginners are invited to participate.

Reservations must be made no later than Monday, Campbell 3334; Virginia Currie, Campbell 2177, or Margaret Rother, Campbell 2783.

Price for adults will be $1.25 per plate; childrenup to 12 years of age, 65c. The public is invited to attend.

Mrs. Egling New Community Club President

Mrs. George Egling was installed as president of the Campbell Community Club at a recent luncheon held at Rickey's Studio Club in Palo Alto.

Her official term commenced when Past President Mrs. Donald York turned over the gavel.

Mrs. George Kemp was installed as the vice-president and newly-elected secretary, Mrs. Arthur Cowdery will be installed upon her return from a vacation in the east.

The retiring and incoming officers were presented with colorful begonia corsages. Mrs. York was complimented with an engraved compact.

Mrs. George Miller was named project committee chairman and Mrs. York became social committee chairman.

Social committee members include Mrs. Wayne Thompson, Mrs. Verle Grizzle, Mrs. Verlyn Fellman, and Mrs. Donald Lantz. The project committee members are Mrs. Richard Drew, Mrs. Orville Johns, Mrs. Thayer Lyons, and Miss Marilyn Toy.

Sunshine chairman is Mrs. Lyons.

Plans for the club in the immediate future include a family weekend party and the sponsoring of new members.

Garden Club Will Make Corsages At Wednesday Meet

Campbell Garden Club will have its monthly meeting next Wednesday, August 2, at the What Not Shop, beginning at 2 p.m.

Project for the meeting will be corsage making, with Mrs. William Ostermeier and Mrs. Frank Johnson in charge. All materials, including flowers and wire, will be furnished.

Prior to the general meeting, directors will have their meeting at 1:45 p.m.

Gloria Spragia Is Honor Guest At Bridal Shower

Gloria Spragia was honored at a bridal shower given Saturday evening by Mrs. Eva Raffanti and Viola Walden at the former's home.

Pink and white were used in the table decor. After the honor guest opened her many gifts, the group played bingo.

Those who attended were Mesdames A. Rugani, C. Rugani, M. Brunetti, A. Canara and P. Ouilici, all of San Francisco; E. Jacobson of San Carloos, A. Barsuglia of San Bruno, and, from Campbell, Nellie Lamb, Louella Wilson, Mary Wilson, Bert Jensen, May Bell Baker, Ona Frazier, Mel Cansomello, Barbara Gannon, Marie Subdon, Mrs. Brown, Louise Spragia, Marie Rider, Lenora Dickerson, Laverna Borg, Olga Spatford, Inez Furtado and Mrs. Silva.

Netops Council To Install Officers

Newly-elected officers of Netops Council, Degree of Pocahontas will assume their respective stations tonight at installation rites in the IOOF Hall, Campbell.

Deputy Great Pocahontas Jessie Zwinge will officiate with her staff of officers.

Blanche Gilpatrick will lead the group as Pocahontas and Alma Fanning, outgoing Pocahontas, will assume the station of Prophetess. Other officers elected are: Amilia Adolfo, Wenonah; William Hindle, Powhatan; Harriett Thome, Keeper of the Wampum; Helen Haller, Collector of Wampum; Sharon W. Parker, Keeper of Records; Ruth Livingston, Musician; Leila Thome Third Trustee; J. O. White of Zannetta Council, Team Captain, and Tina Pawsey, Press Correspondent.

Appointive stations also will be filled tonight.

Tommy Blackmun is in charge of decorations and Lois Blackmun heads the social hour festivities. Members assisting with the social program are Gladys Boker, Harriett Thome, Tommy Blackmun, Maxine von Carnap, and Edith Anderson.

CAMPBELL REGISTER

MRS. CHESTER C. GETTY, wife of M/SGT. GETTY, who recently sailed for duty in Korea, is looking for a home in Campbell. She has been living in Santa Rosa with her mother since the sergeant sailed. The Gettys have lived all around this valley with the exception of Campbell, but Mrs. Getty hopes to establish permanent residence here. Incidentally, by the time she receives the next letter, from her husband it may be Lieutenant Getty. He held that rank when he returned from Europe at the end of World War II, and the Army is working on his lieutenant's commission now. Mrs. Getty's sister and niece reside in Willow Glen, and she hopes to locate in this area.

* * *

GLORIA LEE is spending a few months with her sister, AILEEN DEHL in Berkeley, where she is getting acquainted with her new niece, JOANN PRISCILLA DEHL. Gloria is the daughter of Mr. and Mrs. ED LEE of Sunnyoaks Avenue.

* * *

MR. AND MRS. W. M. BURNETT left Friday to spend two weeks in southern California where their son, Pfc. RICHARD BURNETT is a patient at the San Diego Naval Hospital.

* * *

After a two-week stay at Lake Tahoe MR. AND MRS. M. W. BAILEY have returned to their Campbell home. On the return trip Mr. and Mrs. Bailey stopped over in Stockton to visit Mr. Bailey's uncle and aunt, MR. AND MRS. A. R. ATWOOD.

* * *

MR. AND MRS. CHARLES J. TRAMMELL and daughter, Gail, and son, Danny, of Gridley, were weekend guests of Mrs. Trammell's aunt, MRS. LUELLA RYAN and son, JIMMY. The group was joined on Sunday by other relatives, MRS. ERNEST HILL of Santa Barbara, MR. AND MRS. HULME WARBURTON of Richmond and MR. FORREST BAIRD of San Jose.

* * *

That was MR. AND MRS. JOE KEESLING and children, DOROTHY and CHARLES, who made the five-weeks' motor tour eastward. They visited in Indiana with various friends and relatives. Mr. Keesling, who was raised in the Hoosier state, called on friends and relatives in Mechanicsburg and Middletown. During the last week of the trip, Mr. Keesling was suffering from an infected foot and had to get around on crutches.

* * *

MRS. A. C. BIEL of Las Cruces, New Mexico, arrived by bus Wednesday evening to visit her mother, Mrs. Guy McDonald. Mrs. Biel, who will be here for an extended visit, is a former Campbell resident. She left here in 1947.

* * *

JOSEPH BARBANO, LOCAL RANCHER, SUCCUMBS IN S. J.

Joseph Peter Barbano, 60, who came to Campbell when a boy from his native Piemonte, Italy, in 1895, died Sunday in San Jose Hospital after an illness of two months.

Mr. Barbano had been a Campbell rancher on Latimer Avenue until his retirement seven years ago. He and his wife had moved to San Jose only three years ago.

During his long residence in Campbell, Mr. Barbano saw the town grow from a few scattered homes and shops to its present bustling size. He attended Campbell Grammar School and was a well known resident of the community.

In 1916 he married Jessie Mazzone. The children are George and Paul Barbano, both of Campbell. In addition, Mr. Barbano leaves his widow, Jessie Barbano; his brothers, Louis Barbano of Santa Clara and Ernest Barbano of Campbell; sister, Mrs. Augustine De Bernardi of San Jose; daughters-in-law, Carolina Barbano and Carmela Barbano, both of Campbell; grandchildren, Charlene, Judy and Patricia Barbano; parents-in-law, Mr. and Mrs. Paul Mazzone of San Jose.

He was the brother-in-law of Mr. and Mrs. Joseph Lipari of Campbell, Nick Caputo of San Jose, Mr. and Mrs. Mary Caravelli of Redwood City.

He was the son of the late Giovanni and Delfina Barbano, and brother of the late Marino Barbano.

Funeral services were conducted Wednesday at 8:45 a.m. from the Chapel of Flowers, San Jose, followed by requiem high mass at Holy Family Church, with Father Roccati officiating. Entombment was at the mausoleum of Santa Clara Catholic Cemetery.

Pallbearers were Brank Benevento of San Jose; Lawrence De Bernardi, San Jose; Louis Mazzone, Almaden; Nick Mazzone, Almaden; Sal Lipari, Campbell, and Buddy Caputo, San Jose.

Alma Trio Offers Varied Program At

The famed Alma Trio will present a recital at Montalvo Saturday, August 5 at 3:30. Program of selections has been announced this week by Mrs. Thomas Haire, chairman in charge.

Moreland Summer Program Presents Varied Activities

A colored film, "Sierra Fish and Game" will highlight tomorrow night's Moreland Summer Recreation program, according to Mrs. Jane Lagiss, publicity chairman.

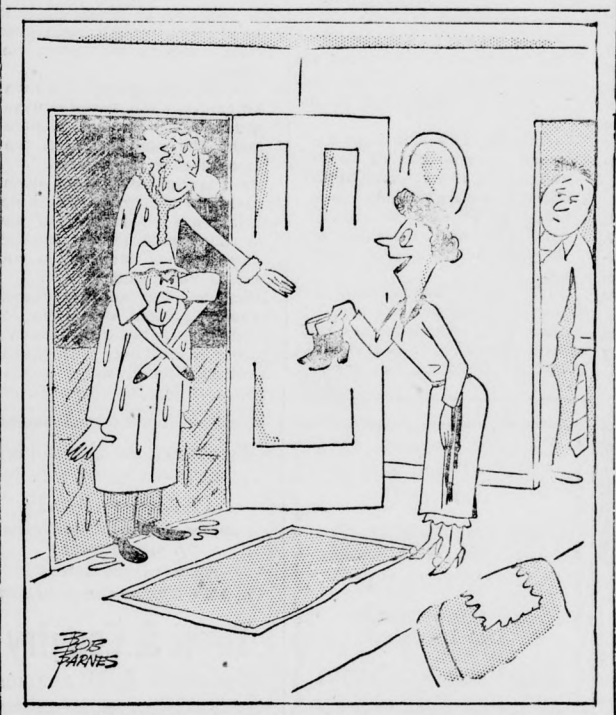

Made by the PG&E, the film took over a year to shoot and process. It depicts the splendor of the Sierras, and the abundant hunting and fishing paradises to be found in the mountains.

The screening will follow the pot-luck dinner scheduled to be served at 6:30 p.m. Host and hostess for the dinner are Mr. and Mrs. Frank Gilley

An old-fashioned folk dance will be held following the movie. Caller of the dances is Mr. Jim Petersen.

All three activities will occur in the school cafeteria.

Parents are urged to bring their children to the playground for organized recreation at 4:00 p.m. Mr. Robert Edminster, director of the recreational session, will be available to formulate various games and activities.

"I told George you'd be back for your overshoes."

LEGAL NOTICE

ORDINANCE NO. 473

AN ORDINANCE OF THE COUNTY OF SANTA CLARA, STATE OF CALIFORNIA, AMENDING ORDINANCE NO. 120 OF SAID COUNTY, BEING THE ZONING ORDINANCE OF THE COUNTY OF SANTA BY AMENDING SECTION 10-an THEREOF.

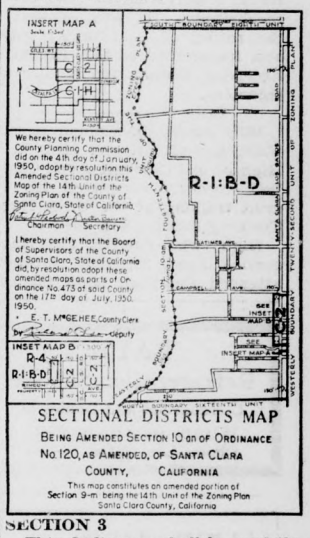

The Board of Supervisors of the County of Santa Clara, State of California, do ordain as follows:

SECTION 1:

Ordinance No. 120 of the County of Santa Clara, State of California being the zoning ordinance of the County of Santa Clara is hereby amended by eliminating Section 10-an of said Ordinance.

SECTION 2.

Ordinance No. 120 of the County of Santa Clara, State of California, being the Zoning Ordinance of the County of Santa Clara, is hereby amended by the addition thereto of new section to be designated Section 10-an constituting a map entitled, "Sectional Districts Map 10-an of Ordinance No. 120, as amended, of Santa Clara County, California," which map is hereby incorporated and made a part of this Ordinance.

SECTION 3

This Ordinance shall be, and the same is hereby declared to be in full force and effect from thirty (30) days after date of its passage.

Regularly passed and adopted by the Board of Supervisors of the County of Santa Clara, State of California, at a regular meeting thereof held the 17th day of July, 1950, by the following roll call vote:

AYES: Supervisors, Brown, McKinnon, Pfeifle, Wool.
NOES: Supervisors, Campbell.
ABSENT: Supervisors, None.

A. W. BROWN
Chairman of the Board of Supervisors of the County of Santa Clara, State of California.
ATTEST: E. T. McGEHEE
County Clerk and ex-officio clerk of the Board of Supervisors of the County of Santa Clara, State of California.
By RICHARD OLSON
Deputy Clerk.

July 28-50 (Seal)

NOTICE TO BIDDERS

Notice is hereby given that sealed bids will be received by the Board of Trustees of the Campbell Union High School District, Campbell, California, at the office of the Superintendent of said district at the Campbell Union High School, until eight o'clock p.m. August 14, 1950, at which place and time bids will be opened, for the purchase of one rear engine transit school bus with the capacity of 73 high school passengers in strict accordance with the following specifications:

Gross vehicle weight 29,700 lbs., 231" wheelbase, six (6) 11.00/20 tires, 162 horsepower, 450 cu. in. engine mounted in rear, all electrically controlled instruments, 72" headroom in body, underfloor luggage compartment of 117 cu ft. capacity.

Complete specifications on file at the office of the District Superintendent. Delivery on or before September 1, 1950.

The above bus shall meet all requirements of the State of California in every respect as set forth by the State Department of Education and the California Highway Patrol, spare tire excepted. This bus shall be guaranteed unconditionally for one year.

The Board of Trustees reserves the right to reject any or all bids, to waive any irregularities, and to be the sole judge of the suitability ity of equipment offered.

By order of the Board of Trustees, Campbell Union High School District.
JOS. V. GOMES,
Clerk

Campbellites In The Service

With this issue, the Campbell Press begins a column of news about your friends and neighbors now with the United States armed forces. News items about Campbell men and women in the service will be welcome.

The column will be run each week when such news is available.

Lee Lara, son of Mrs. Maria Lara, 334 W. Latimer Avenue, has reenlisted as a private in the Army infantry.

Michael E Giles, 45 Alice Way, was reenlisted in the regular Navy through the San Jose Recruiting station. Giles had four years previous Naval service and was enlisted in the rate of Seaman, U. S. Navy. After enlistment, he was sent to Treasure Island for further assignment to a Navy ship.

William Donald Fry, son of Mr. and Mrs. C. H. Fry, 1259 Walteors Ave, Campbell, has reenlisted in the regular Navy for four years through the San Jose recruiting station. Fry served one year as was provided by the Draft Law of 1948, and was a member of the Naval Reserve at the time of his reenlistment. He was enlisted in the rating of Seaman Aprentice and transferred to San Francisco Receiving Statoin for further assignment.

Billy MacHigh, seaman recruit, USN, son of Mr. and Mrs. R. T. High of 680 Crockett Ave., Campbell, recently completed his recruit training at the U. S. Naval Training Center, San Diego.

High, who entered the Naval service April 24, 1950, formerly attended Campbell High School.

Three Campbell Youths Re-Enlist In Regular Army

Three Campbell youths have reenlisted in the regular Army this past week, acording to recruiting officer Sgt. H. E. Skalinder.

Walter W. Brown, 26, and William L. Brown, sons of Mrs. Edna May Brown, 607 Crockett Avenue, returned to military life after a brief fling at civilian living. Walter, who served six years under a previous hitch, signed for a three-year term. After a short indoctrination course, he will be assigned to a branch of the Armored Cavalry, a unit of his own choosing.

His brother, William, has five years of former military service. He was discharged several months ago with the rank of corporal. He will retain the same rating after a similar indoctrination course. He asked for, and received, assignment to the Signal Corps.

The third veteran to return to Army service is Clyde C. Mears, brother of Mrs. Maxine Rakestraw, 710 Rosilia Avenue.

Mears, 24, asked for placement in the Far Eastern Command. He will take three-week training program and be transferred to the FEC.

Accoring to a statement released today by the Air Force and Army, recent changes in enlistment regulations now make it possible for many men, who were ineligible in the past, to enlist in the service.

For further information, any interested applicants are urged to contact T/Sgt. Skalinder in Campbell on Thursdays or at Room 203, Postoffice Building, San Jose.

School District Gets Conditional Grant Of $623,359

A conditional grant of $623,359 was made to the Union School District Monday by the State Allocations Board.

Actual receipt of the funds is contingent upon a special acceptance election which probably will be held in September, according to school officials. Passage will require a two-thirds majority.

The district made an appeal for $645,000 in state funds for building and land facilities last month in form of a long-term loan.

The application was revised July 15 to conform to rulings regarding percentage of loan that could be applied toward grounds, improvement and playground equipment. The reduction covers only these items or a second site, according to Principal Kenneth McDonnell.

Covered by the conditional grant are the following projects; 20 addieional classrooms on the present site, a shop, home economics facilities, and administrative unit plus seven or eight acres on a second site in the northeast district that includes 12 rooms to house kindergarten through sixth grade classes, and some playgorund equipment.

If the Attorney eGneral's office rules out certain playground gear as not eligible under the fund coverage, the amount may be reduced.

As it is, classroom desks are not included in the grant. But school officials are attempting to have this ruling modified so the furnishings may be included in state aid, McDonnell said.

Plans for the building program are moving ahead, with a San Jose architect firm being instructed to proceed immediately with detailed drawings. The drawings must be approved by the State Department of Finance and Education and the Division of Architecture Public Works Department. McDonnell said that constructiono could not commence until the early part of next year.

Rapid progress of subdivisions in the school district depict the need of additional school builings. Estimates put the completion date of the Cambrian Park tract of 600 homes at the latter part of 1951.

Enrollment figures in adjacent schools have already risen due to the completion of many homes.

Approximately twice as many homes are exected to be finished by next year, thus assuring a continual flow of pupils.

West Valley Hospital Fund Application Reportedly Receives No Action From State Board Meeting At Sacramento

State Hospital Board members took no action Monday on the application of West Valley Hospital District for state and federal construction funds, it was reported here. Herbert M. Shadle, chairman of the West Valley District committee, said he had received no report from Hospital Consultant Larue Sorensen who was to have attended the Sacramento meeting.

The chairman said any action of the local board would have to await report of Sorensen. The board is scheduled to hear the consultant's review of the state board meeting when they convene again August 14.

Board members had sought the state and federal aid to help finance construction of the 50-bed hospital to be erected on hospital district property near Vasona Junction. Were state aid amounting to one-third of the construction cost to be granted, this would automatically bring in a similar sum from the federal hospital construction allocation. Residents of the district would raise the remaining one-third of the cost.

Earlier this year the West Valley Hospital held a priority standing of 16th on the list of hospitals to be considered and it was expected that since the district population actually warranted a 200-bed hospital, the state would give special consideration to the application to provide at least a part of that number.

More About Merchants' Committee

(Continued from Page 1)

adopted at the meeting, motion was moved and approved that the outline be printed and copies be submitted to every Campbell merchant for consideration.

Newly-appointed Secretary-Manager Forrest A. Reese of the chamber passed around copies of the proposals to local merchants last night, and began calling on them today for subscriptions for the Friday night store opening prizes.

"To date, the results have been very successful," Reese reports. "There will be another merchants' meeting next Wednesday night at 8 o'clock in the high school little theater, at which time all questions will be answered and a complete program will be drawn up."

Co-chairmen for next Wednesday's meeting will be Cel Gerevas and Dobie Jeffers. Reese, as secretary-manager of the chamber, will participate.

MERCHANTS URGED TO COME

Every Campbell merchant is urged to attend the session, whether member of the chamber or not. The sales promotion program for the entire year, as outlined above, will be discussed, everyone with a question will be heard, and the program will be voted upon as is or in revised form according to wishes of the merchants.

Every merchant who has not received a copy of the committee report above may obtain a copy by phoning either Reese, Campbell 3303, or the Campbell Press, Campbell 3442.

Local Fishermen Land 60 lb. Manta Ray Two Miles Off Santa Cruz

A 60-pound manta ray, the largest of its kind to be caught in Santa Cruz waters in 24 years, was landed recently by Tully Heath with the help of Ralph Janzen and Tommy Waggli of Campbell.

The fish, close kin to the infamous stinger ray, measured 4½ feet from its whip-like tail to its blunt snout. The ever-dangerous appendage alone was about 2½ feet in length. Across the fish's broadest

Proudly posing with his prize catch is Tully Heath, left, who landed the monstrous 60-pound manta ray off Santa Cruz. At the right is Tony Cefalu, owner of a local sporting goods store where Heath purchased his gear. The fish is the largest of its kind to be caught within the last 24 years in Santa Cruz waters. Note the razor-like tail.

point the tape stretched just this side of 30 inches.

Heath, one of the more competent deep-sea fishermen, and his mates rented a small boat and motored two miles off shore. After catching five ling cod from 10 to 15 pounds in weight, the fortunate angler hooked the cruising devilfish. In 15 minutes it was caught and securely stashed in the boat.

A succulent sardine, at least to the ray, was used as bait on a 45-pound surfline nylon testline attached to a Calcutta pole.

Horse Show To Offer $36,600 In Awards At Fair

With the finest show horses from many western states entered, the famed Horse Show at the California State Fair, August 31 through September 10, will top all previous equine productions.

Two new features have been added this year— the California Saddle Horse Breeders Futurity and the famous six-pony hitch of the Curtis Candy Company.

Exhibitors will compete this year for a total of $36,600 in premium awards and the ribbons which denote the royalty of the show horse world. The Horse Show will be presented nightly in the open air arena where 5,500 may be seated.

Not alone will the horse be represented in the brilliant Horse Show. Thoroughbreds and Standardbreds will compete in a major racing meet each weekday afternoon on an improved State Fair race track.

Two harness, one quarter-horse, and seven running races are scheduled dailyp except Sunday. Harness and running races include both stakes and handicap races in which some of the best horses on the Pacific Coast will compete.

Main feature of the harness racing will be the two futurities which carry a purse of $5,000 added. Both purses will be split $2,500 to the trotters and the same amount to the pacers.

The running races will be featured by the Governor's Handicap to be run Thursday, September 7.

Six Teams Form Jr. Softall Loop; Play Starts Aug. 29

The schedule of games for the Campbell Junior Softball League was annouced yesterday by Junior Morgan, newly-appointed director who replaces Jim Muir. Due to other pertinent commitments, Muir felt he was unable to devote the proper amount of time to the league.

The six-team loop will play three league games a week. Every Wednesday night Junior teams will fill the second half of the twin bill at the local softball diamond.

On Friday afternoons at 5 o'clock, league games will be played at the same field with the third game scheduled as the preliminary tilt Saturday evening.

The loop officailly opens on Saturday, Aug. 29, with two squads (undecided as yet) meeting at 7:15.

The league terminates play August 30.

The teams formulating the Juniors are Lou Acklin's, Burbank Recreation Center, Gilpatrick's Grammar School. Oddfellows, and Jack Smith's Hi-Y (tentative). Upon the securement of sponsors the teams will change names accordingly.

In a practice contest Wednesday afternoon, Gilpatrick's crew dumped the Grammar School team. 14 to 7.

Montalvo Garden Tour Features Rare Landscaping

A garden tour through several acres of Montalvo will be held Tuesday, August 1, under the auspices of the Montalvo Society.

Garden lovers and those interested in Montalvo are invited to attend. All are requested to meet on the terrace at Villa Montalvo at 10 o'clock in the morning.

The tour will be conducted by Mr. George Doltz, head gardener since 1912. He is chiefly responsible for the attractive landscaping of the many acres at Montalvo.

Rare flowers and strange trees will be seen and corresponding botanical histories will be related by Doltz.

Among the trees to be seen are the large European lindens and araucaria tree. One of the most intriguing is the Buna-buna tree of Australia. According to Doltz, there are no other trees of this type north of the equator.

The ever fascinating monkey puzzle trees are on the premises also. It is claimed that this tree is the only limb in existence that cannot be climbed by a monkey. The bark of the tree is coated with thick prickly scales.

One of the most beautiful trees on the grounds is the tulip tree, so named because when blooming it has flowers similar to a tulip flower.

LOCAL SOFTBALL NEWS

MONDAY "A" 'DIVISION

Behind the near-perfect pitching of Dutch Johnson, Macs Market continued their domination in second-half play by whipping the hapless 7:30 Club, 10 to 0.

The game marked the third straight shutout registered by the fast-balling Johnson. He allowed three hits and struck out 13 batters. He now has amassed 41 strikeouts in 21 innings of play, one shy of averaging two per inning.

Adding further proof to his adept pitching chores is the fact that he has given up only six hits over the same number of stanzas.

His teammates, although held to five hits Monday by Clubber Weltz, were able to merge three of the safeties in the third frame when they scored six runs, aided by two walks and two errors.

In all, the 7:30's committed six boots afield, two of them in the first frame when the loop-leaders tallied three times on one hit.

"B" DIVISION

Spotting their opponents three runs in the first frame, Oddfellows retaliated in later innings to defeat Moorpark, 7 to 4, in a closely contested game.

Taking advantage of early wildness on the part of pitcher Olson, the parkers pushed over three tallies on one hit in the initial stanza, and three passes.

The victors found their batting eyes in the fourth frame, scoring three times on three hits. They scored one in the following inning and decided the game in the fifth by netting two more tallies on three bingles.

For the remaining six innings Olson gave up only two hits and one run.

TUESDAY "A" DIVISION

The 5 Spot team won and lost in Tuesday night activity and by the same token Saratoga Merchants did likewise, although both teams played only one game.

The league contest was forfeited to the Spotters because the Merchants used a non-registered pitcher. Unable to win a game thus far in the loop competition due to lack of a competent chucker, the Saratogans decided to forfeit the game they figured to lose with one of their regular pitchers and play a non league game using a new pitcher.

This they did, as they proceeded to defeat the Spot crew 5 to 3. Though outhit 10 to6 the Merchanteers made their six hits count. The neophyte on the mound, Clark, suffered only one bad frame, the third when the Spoters tallied all their runs.

The 5 Spot errors helped to dig their own grave as the victors took advantage of every opportunity. Saratoga scored once in the first on one hit, twice in the fifth on two safeties, once in the sixth on another bingle and added a final tally in the seventh on one hit. Thus all their hits accounted for runs, with the exception of one safety in the third inning.

TUESDAY "B" DIVISION

Netops kept their clean slate unmarred by barely beating the Farmers Union 7 to 5. The winners scored six runs in the first frame and then remained virtually dormant the rest of the game.

Two errors by thirdsacker Mayse and five timely hits enabled the Netopers to cinch the game. They were held hitless until the final frame when they tallied their seventh run on their sixth hit.

The Unionaires kept picking at the offerings of Hindle, Netop hurler, until they exploded for four markers in the third. They added one more in the fourth on hits by Finkbeiner and Mairfield.

WEDNESDAY "B" DIVISION

Bettencourts Market, winners of the first half play, knocked off the unbeaten pedestal as Campbell Hardware pulled out a 6 to 5 win. victory for the winners because the two teams met in the playoffs for the first falf honors with the foodmen copping the tilt. The win also marked the first victory in three starts for the nuts and bolt men this half.

Both teams tallied three times in the second stanza after a scoreless opener. Continuing the compatability, they chalked up one run apiece in the third. But the Hardwaremen perked up suddenly and pushed over two runs in the fourth after the marketeers were kind enough to refuse to score.

In the final inning Bettencourt threatened by getting one run on two hits. As the final out was recorded two baserunners were left stranded in scoring positions

S. Lipavi was the running hurler with Helmuth being charged with the loss.

THURSDAY "A" DIVISION

With the score tied 5 all in the last half of the seventh, Ruiz doubled and Balinger singled, batting in the game-winning run as Leon Terry's eked out a 6 to 5 thriller over Maderis Market.

Led by their hard-hitting catcher, Donaldson, the marketmen more than held their own until the fatal finish. Donaldson had a perfect night, getting four for four, including a homer and double.

Terrys took a 2 to 0 lead in the first two innings, but Maderis rallied in the third to tally four runs on three hits. They picked up another run in the sixth on one bingle and an error.

Terrys tied it up in their half of the sixth on three successive singles by Rodriguez, Elderkin and Hagen, coupled with a walk and infield out.

Then came the sudden-like climax in the last frame.

"B" DIVISION

Behind the two-hit pitching of Ellison, the American Legion gained undisputed possession of first place as they turned back their nearest rivals, VFW, by the tune of 4 to 1.

Going into the fray, both teams were tied for top honors with identical slates of two won and none lost.

In their first two tilts, the legionnaires murdered the opposition by scoring a total of 43 runs. But last night they had their hands full, getting only five hits.

VFW scored their only tally in the following frame without the benefit of hits as Cabral reached base on an error by Ellison. The runner later scored on a long fly ball.

BUILDING PERMITS

E. R. Garrison, home for E. A. Garrison, Lot 11, Kenneth Avenue, $6500.

G. D. Latham, garage for self, 1150 McBain Avenue, $400.

T. M. Anderson, home for self, Lot 35, 230 W. Campbell Avenue, $8,000.

Hardtop Races Offer Struggle For Point Leadership

A ten-race program has been billed for tomorrow night's hardtop stock car festivities at the San Jose Speedway. Time trials start at 7 p.m. with the first competitive racing event beginning at 8:30 p.m.

The evening's card promises to provide ample opportunity for the tightly-packed field to determine top CSCRA point leaders.

At the present writing, Mike Batinich is showing his spare tire to all drivers by heading the pack with 1315 points, closely followed by Joe Valente who has been slowly but steadily closing ground. He has whittled the leaders lead from 175 points to 141 points in the past two weeks. Valente now has amassed 1174.

Completing the top five drivers are Dave Duncan of Stockton with 1155 points, Dave Carter of Stockton and defending CSCRA champ with 1070 and George Boerstler collecting 860.

Local School Nine Leads Rec. Loop

Campbell Elementary School defeated both San Tomas and Moorpark this week to remain in first place of the Summer Recreation Baseball League.

The leaders now sport a record of four wins and no losses. Moorpark is in second place with a 2-2 slate and San Tomas dwells in last place of this three-team loop with no wins and four defeats.

Though yet to taste victory, the cellar-dwellers have shown a fine brand of ball, far above their condemning appearance. All the losses suffered were by virtue of one run. In the Campbell game, San Tomas was leading going into the final frame but fell to a rallying uprising that saw the contest decided by one late tally.

Coming Softball

Following is the Campbell Softball League schedule for the coming week:

"A" DIVISION
Games begin at 9:00 p.m.

M 5 Spot vs. Purple Knights
T Saratoga Mchts vs. Mac's Mkt
W Open (Junior League game)
T Maderis vs. 7:30 Club
F Davenport El. vs. L. Terry's

"B" DIVISION
Games start at 7:15 p.m.

M Jeffers vs. VFW
T Moorpark vs. Farmers' Union
W Bettencourt's vs. Oddfellows
T Netops vs. Am. Legion
F Jr. C of C vs. Cmbl Hdwre

Col. J. L. McBride To Give Sermon At Methodist Church

Chaplain Colonel James L. McBride will preach at the Methodist Church Sunday morning, at the worship service. Mr. Sydney M. Barker will sing Colonel McBride's favorite hymn, "Leaning on the Everlasting Arms," and also Malotte's "The Lord's Prayer." Mrs. Beulah Y. Herbold will play the organ for the service, and young children will be taken care of in the nursery maintained during the worship period.

Sunday School will meet in regular session at 9:45 a.m. Classes are provided for all ages. The Young Adult Fellowship will meet in regular session at 9:45 a.m. Classes are provided for all ages. The Young Adult Fellowship will meet at 3 p.m. at the home of Mr. and Mrs. William Beyer, 196 California Street. This will be an outdoor meeting, for the young adults, their families and friends. Each family is to bring its own food and meat to the barbecue.

YOU'RE READING THIS, AND SO ARE 15,000 OTHERS — IT PAYS TO AVERTISE!!!

Sport Shorts

By JERRY THOMAS

A CHILD DOETH . . . Little Bud Feasel, 13, is the envy of all the kids in his new neighborhood. The Feasel family recently moved to Campbell from Oakland. One of the prized possessions on display in the family den is a mounted 4-lb. rainbow trout caught by the youthful angler in the Upper Sacramento river, near Dunsmuir.

For many months the 25-in. beauty eluded all the older aspirants. It was hooked several times but always managed to wriggle free and swim to the bottom of the clear water for all to see and drool.

Optomistic Bud hooked the elusive prize using a caseworm on a 14 eagle claw. It took him about 20 minutes to land the dorsal-blue catch.

ONE WEEK HENCE . . . With the long-awaited hunting season opening Aug. 7, many local nimrods are preparing themselves accordingly. Recently four hunting rifles were sold at a local sporting goods store, showing ample proof that Campbell huntsmen are eager and aware of Deer Day.

All four pieces of artillery sold were Winchesters. Two were straight Model 70's, another a 30-odd Six, Model 70, and the fourth was a 270, Model 70. Evidently, the aforementioned gun company has guaranteed a buck with every shot . . . Wonder which of the hunters will be disappointed?

BUDDY, BUDDY . . . In a tight pitcher's battle all the way, the Church of Good Shepherd (Lutheran) nosed out Grace Lutheran, 18 to 17, in the San Jose Church League. That in itself is not too newsworthy, for the winners have been leading the pack for several weeks.

But in the manner the game was won set some record for amiable kindship, personified.

Grace Lutheran's pitcher, Eldred Nelson, is a cousin by birth to the 3 Nelson brothers from Campbell who cavorted for the victors.

And he was treated like a cousin, literally speaking, for Clarence Nelson reached him for a double and triple that figured prominently in a hectic 10-run rally in the sixth inning.

Then with the score tied in the last inning, another relative, Milt Nelson singled in the winning run. Isn't that carryig personal relations a little too far?

As for the contest (?) itself it would be a masterpiece of understatement to state that the game was loosely played.

Each team got 10 hits but the many walks and more errors made the final score read like a pinochle bid. This department does not care for canasta.

A WORD TO THE WISE . . . The Division of Fish and Game has released the arms and ammunition regulations in the taking of big game animals. **The following are prohibited:** "Shotguns using shot or slugs, pistols, rifles using rim-fire cartridges, or bullets with full metal jackets. (2) Use of rifles in the taking of pheasants, quail and waterfowl (3) To use or possess a shotgun larger than 10 guage, or to possess an extension automatic or a cane gun. (4) No automatic or hand-operated repeating shotgun capable of holding more than three shells, the magazine of which has not been cut off or plugged with a one-piece metal or wooden filler incapable of removal through its loading end thereof, so as to reduceo the capacity of said gun to not more than three shells at one time in the magazine and chambers combined, for the taking of upland game and migratory waterfowl. (5) Possession of any device capable of or to be used in the silencing of the report of any firearm.

BIRTHS

DOOLEY — To Mr. and Mrs. Stanley Kelso Dooley, 730 Erin Way, Campbell, a daughter, Kathleen, July 16 at Santa Clara County Hospital

DEHN—To Mr. and Mrs. John Grainger Dehn, 320 N. Milton Avenue, Campbell, a son, John Gail, July 15 at O'Connor Hospital.

Popular Records: New novelty that has earmarks of going places is one by Sammy Kaye— "I Thought She Was a Local, But She Was a Fast Express (Victor 20-3828). Folksy wording, hillbilly flavoring and a choo-choo rhythm plus some fine singing by the Kaydets make this disc distinctly different and one that you will enjoy. Flip has a smooth interpretation of the "oldie" "The Object of My Affections" done up in dance tempo.

Another "oldie" now appearing under a new name is the familiar "You're Too Dangerous Cherie"— now called "La Vie En Rose," this tune gets excellent treatment from Bing Crosby (Decca 27111).

The lovely ballad, "Count Every Star," is given a delicate and sensitive treatment by Dick Haymes backed by Artie Shaw orchestra. Artie Shaw contributes a tasty half chorus on his clarinet that adds a great deal to the listening pleasure of this disc (Decca 27042)

Ernest Tubbs contributes a country styled pop-corn ballad called 'Throw Your Love My Way' (Decca 46243. Tubb wails the infectious lyrics to this captivating melody in clear smooth fashion and his many fans will enjoy this new western.

The dashing and delightful Sigmund Romberg operetta "The Student Prince," is given a rousing treatment by heroic tenor Lauritz Melchoir, Jane Wilson and orchestra and chorus under the baton of Victor Young. The swirling charm of the simple and frankly sentimental score, the gorgeous melodies and lush orchestrations make this fare the whole family will enjoy over and over. (Decca DL 7008).

Children's Records: It has been difficult to find many single children's records for the 45 rpm record players. The album selection of 45 rpm has been good almost from the introduction of these dainty little discs but the singles have been rather a problem. Peter Pan Records have just reelased four of their most popular discs on 45 rpm.—"Musical Rhymes," Boys' and Girls' Favorites," Nursery Land Favorites," and "Melody Round-Up"— these make a most welcome addition to the chilren's catalogue on 45 rpm.

Classical Records: Some of the most beautiful melodies ever written by mortal hand are contained in Schubert: Symphony No. 8 in B Minor, the "Unfinished". Schubert, often referred to as the world's melodic millionaire, was especially liberal with his enchanting melodies in this Symphony. The melodic lines and harmonic colors, picturesque rhythmic figures and key phrases that distinguish Schubert's compositions are all present and give the Symphony a power over the listeners that is difficult to resist. Few Symphonies in the concert repertoire anywhere near approach the universality of appeal or popularity enjoyed by the "Unfinished Symphony." A new recording of this symphony by the London Symphony Orchestra under the baton of Josef Krips has just been released on London FF RR Long-Playing records (LPS 209). Krips' sympathetic reading of the score plus the brilliance of the performance of the London Symphony Orchestra and the technical fidelity of the recording make this disc a choice item.

People everywhere love the music of Edward Grieg, as they love Schubert's, because it is not only beautiful, but also warmly human in its various moods and unpretentious enough to make friends with even the amateur. New to the rapidly growing catalog of Long-Playing records is "Grieg: Holberg Suiteo. Op. 40" played by the Boyd NNeel String Orchestra conducted by Boyd Neel (London LPS 173). Grieg was commissioned to writeo a work especially for the celebration of the two hundredth anniversary of the birth of Ludwig Holberg, the founder of modern Danish literature. This gay and charming Holberg Suite,o full of delicate orchestral coloring and contrasts, was the result of that commission. "Grieg: Cowkeepers Tune and Country Dance" are added dividends that fill out the second side of the record.

"Notning can compare with The Sorcerer's Apprentice" wrote the distinguished French critic M. Jean-Aubry, "for the intensity of its mettle, the imish vivacity of its accent and the discreetly comic spirit of its rhythms." Dukas: "L'Apprenti Sorcier" played by L'Orchestra De La Societe Des Concerts Du Conservatoire De Paris and conducted by the remarkable young Spanish conductor Enrigue Jorda adds another choice item to the Long-Playing catalog (London LPS 193). The second side of the discs contains Glinka: "Russlan and Ludmilla" Overtureo and Chabrier: "Le Roi Malgre Lui"— Danse Slave. The fire and spirit of Enrique Jorda's

"EASY DOES IT"

By HELEN HALE

IF you want to keep your kitchen neat while cooking, revise your working techniques and see how much simpler all your work becomes.

Measure out all ingredients before you start putting a recipe together, then check them with the recipe, and you will rule out forgetting ingredients and thus causing failures.

Having all ingredients as well as utensils assembled before you begin to work, saves time as well as confusion.

Keep the dish pan full of soapy suds and put each utensil in it as you finish using it.

While you wait for butter to melt, onions to sauté, milk to scald, and other time-involving procedures, wash the dishes you have soiled and get them out of the way. In this way, cleaning doesn't pile up on you!

RECIPE OF THE WEEK

Oatmeal Macaroons
(Makes 60)

1 tablespoon butter
1 cup granlated sugar
2 eggs, separated
2½ cups rolled oats
¼ teaspoon salt
2 teaspoons baking powder
1 teaspoon vanilla

Cream butter and sugar. Add egg yolks and mix well. Mix rolled oats, salt and baking powder and add to first mixture. Fold in stiffly beaten egg whites. Add vanilla. Drop from teaspoon onto greased cookie sheet. Allow plenty of space for spreading. Bake in a slow (300° F.) oven 20 to 25 minutes.

Finish slicking the kitchen while food bakes so you will have plenty of neat surface to place it on when cooking time is finished.

Place pots and pans to soak as soon as you finish using them: Soaking will mean less elbow work for you as most pans clean easily when food is loosened from them.

Save measuring utensils by sifting flour and other dry ingredients on pliable paper plates. These may be used several times.

Flour sifters do not need to be washed after every use if they are brushed off with a stiff-bristled brush.

If using syrup or honey, measure fat in the cup first, so that the syrup will not stick to it.

"Come back here—you saw horse rustler!"

Shrine Circus Opening August 3 In San Jose

The San Jose Civic Auditorium again will become the mecca for the young in heart for one week starting Thursday night, August 3, and continuing twice daily through Wednesday, August 9, when the attraction will be the seventh anual Santa Clara Valley Shrine Club-Polack Bros. Circus.

This year's circus is declared by Victor N. Christopher, Shrine Club president, to be the greatest ever presented by the Shrine and Polack Bros.

Magnificent horses and world's champion bareback riders make up the impressive equestrian extravaganza of the Giustino Loyal-Repensky family.

Astonishing feats of aerial audacity are executed by Lalage, the Sikorska Duo, Rose Gould Trio and Seven Ward-Bell Flyers.

Other top features are Melitta and Wicons, Swedish high perch artists; the Shyrettos, ace cyclists; Hubert Castle, wizard of the wire; the Seven Brannocks, whirlwind acrobats; Linon, European pantomimist, and Alfredo Landon's tumbling midgets from the Argentine.

Animal acts of varied appeal are Pallenberg's educated bears, Woolford's unique troup of performing dachshunds, Whitbeck's famous movie-trained elephants, and Dockyy's basketball - playing Boxer dogs.

Clowns, headed by the famous Otto Griebling, plentifully spice the program with their wacky whimsies.

After opening night, performances will be presented twice daily at 2:15 and 8:15 p.m.

LEGALS

BUDGET

Moreland Elementary School District of Santa Clara County, California for the school year beginning July 1, 1950, and ending June 30, 1951.

A public hearing will be held on the following budget at Moreland School located on Saratoga-Santa Clara Road on August 4, 1950 at 8:00 P.M.

O. S. HUBBARD, County Superintendent of Schools.

Wood Sculpture, Water Colors In Bay City Show

Raymond & Raymond of San Francisco will show the work of two artists— Emily Nelson and Gisela Aronstein— during August.
Emily Nelson has been working for the last five years sculpting natural wood forms. She collects her raw materials from the High Sierras, particularly from old river beds and prefers Juniper wood about 4,000 to 3,000 years old. She then releases the natural form of the pieces by sculpting with the grain and hard polishing.
Mrs. Nelson, together with two friends, was the pioneer of htis type of wood sculpture which they at first called "element sculpture". She has shown at Gump's, the San Francisco Museum of Art, Kasper's, Lucien Lebaudt, Carmel Art Gallery, the Hatfield Gallery in Los Angeles, and the Jackson Mississippi Gallery.
Gisela Aronstein of Fresno is exhibiting for the first time outside her own community. Born and educated in Germany she came to California in 1934 via France, where she had continued her art studies. NNot until 1949 did she resume her painting and at that time studied under Adolph Odorfer and Jane Gale at Fresno State College.
